This journal is open to: (1) discussions of problems in the field of the measurement of individual differences, (2) reports of research on the development and use of tests and measurements in education, industry, and government, (3) descriptions of testing programs being used for various purposes, and (4) miscellaneous notes pertinent to the measurement field, such as suggestions of new types of items or improved methods of treating test data. Contributors receive one hundred reprints of their articles without charge. Manuscripts should be sent to G. Frederic Kuder, Box 6907, College Station, Durham, North Carolina. Writers are requested to include a biographical sketch with each manuscript, following the style of the section on contributors published in each issue.

EDUCATIONAL AND PSYCHOLOGICAL MEASUREMENT is published quarterly, one volume per calendar year, at Mount Royal and Guilford Avenues, Baltimore 2, Maryland and Durham, North Carolina. Entered as second class matter August 16, 1948, at the Post Office at Baltimore, Maryland, under the Act of March 3, 1879.

Subscription rate, $5.00 a year, domestic and foreign. Single copies, $1.50, with the exception of Volume VII, No. 3, Volume VIII, No. 3, Volume IX, No. 3, Volume X, No. 3, and Volume XI, No. 4, for which the price is $2.50 each. Back volumes: Volumes V (1945), through X (1950), $6.00 each. Volumes I through IV are available in a small-print edition at $3.00 per volume (paper bound).

Orders should be sent to EDUCATIONAL AND PSYCHOLOGICAL MEASUREMENT, Box 6907, College Station, Durham, North Carolina.
